ABOUT ME

A creative thinker, adept in software development and working with various data structures. Bringing forth strong multitasking skills, and a positive attitude seeking to assist at all times. Experienced Web Developer adept in all stages of advanced web development. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. I bring forth high quality organizational skills and a self-motivated drive to achieve excellence. Accustomed to addressing the changing needs of an office and supporting colleagues and superiors with excellent assistance skills.
